Folder structure

Upload these together

- ✓ COMIC_CRAFT_1.html (the site)
- ✓ README.md (the guide)
- ✓ images/ (all cover images)

SUGGESTED UPLOAD LAYOUT

```
comic-story/  
├── COMIC_CRAFT_1.html  
├── README.md  
└── images/  
    ├── iron man.jpg  
    ├── thor.jpg  
    ├── hulk.jpg  
    └── ...
```

Image setup

BEFORE

Cover images used local Downloads paths, which break on another device or after upload.

AFTER

Cover images sit in the images/ folder and are loaded with relative paths.

How to open and use

01

Keep files together

The HTML file, README.md and the images/ folder.

02

Open in a browser

Open COMIC_CRAFT_1.html. No backend or install needed.

03

Explore the site

Search, filter, open titles, save favorites and switch theme.
